Approved For Release 2009/02/26 : CIA-RDP83-01074R000200040005-0

NPIC NOTICE
NO. 60-1-5 RECONNAISSANCE COLLECTION SYSTEMS UNDER DEVELOPMENT

1. The Chief, Technical Activities Staff, Technical Services and Support Group is responsible for liaison between the Center and developers of new reconnaissance collection systems.

2. Each Group Chief is responsible for seeing that questions, proposals, or requests for information or liaison from his group regarding new collection systems are directed to the Chief, Technical Activities Staff or his designees, who will provide the requested information or authorize contact with developers of these systems.
